### Task 3

阅读

标题: cancel weekly programs

原因 1: not so many people watch it

原因 2: can produce other content online

听力

态度: disappointed

原因 1: produce other materials. For example, judging the coffee in restaurant and tell students which one is better.

原因 2: make other programs which require more equipment.  
But it can also help students learn more.

#### Task 4

阅读

标题: commitment and consistency principle

定义: People may hesitate to make decisions, but once they had made a decision, there existed great chance that they would follow their own choice in other things.

听力

例子: a professor received a call from an environment group asked to sign in a petition in a campaign to protect the environment . The professor admitted. After a month, the group asked the professor to donate the campaign. The professor donated 10 dollars. The third time, the group asked the professor to volunteer the campaign to clear the parks and plant the flowers. Of course the professor admitted.

#### Task 5

问题: The man didn't have a desk, so he decided to buy a second hand desk. But he didn't have enough money and the seller wouldn't discount or allow to pay installment.

解决方案 1: wait to deposit enough money

优点 1: he will have enough money

缺点 1: the seller didn't guarantee to wait him, if there's someone who also want to bought this desk , the seller would sell it immediately. 解决方案

2: borrow money from the girl

缺点 2: the girl would borrow only little money to him

优点 2: he would have enough money to pay for the desk

## Task 6

话题: vertical farming

介绍 vertical farming 的概念:

优点 1: fresh produce. People live in urban will have easy access to fresh food.

优点 2: farmers would save a lot of material, such as water.
